TechFlow Solutions – Complete Customer FAQ

1. What is TechFlow Solutions?

TechFlow Solutions is a cloud-based software company that provides CRM (Customer Relationship Management) tools, AI chatbots, and workflow automation for small and medium-sized businesses.

2. What services do you offer?

We offer three core products: TechFlow CRM (customer management), TechFlow Bot (AI chatbot for websites), and TechFlow Flow (workflow automation).

3. What are your business hours?

Our human support team is available Monday to Friday, 9:00 AM to 6:00 PM Eastern Time. Our AI chatbot is available 24/7 on our website.

4. How much does the Starter plan cost?

The Starter plan is $29 per month per user. It includes CRM basics, 1,000 chatbot conversations per month, and email support.

5. How much does the Professional plan cost?

The Professional plan is $79 per month per user. It includes unlimited chatbot conversations, workflow automation, priority support, and advanced reporting.

6. How much does the Enterprise plan cost?

Enterprise pricing is custom. Contact our sales team at sales@techflow.com for a quote. It includes dedicated account management, custom integrations, and SLA guarantees.

7. Is there a free trial?

Yes. We offer a 14-day free trial on all plans. No credit card is required to start.

8. Do you offer discounts for annual billing?

Yes. Annual billing gives you a 20% discount compared to monthly billing.

9. Do you offer discounts for nonprofits or startups?

Yes. Nonprofits receive 30% off. Startups less than 2 years old receive 25% off for the first year. Contact billing@techflow.com with proof of status.

10. How do I contact customer support?

Email: support@techflow.com. Phone: 1-800-555-0199. Live chat: available on our website during business hours. AI chatbot: available 24/7.

11. What is your refund policy?

You can request a full refund within 30 days of purchase. Refunds are processed within 5–7 business days to your original payment method.

12. Can I cancel my subscription at any time?

Yes. You can cancel from your account dashboard. Your access continues until the end of your current billing period. No cancellation fee.

13. Can I upgrade or downgrade my plan?

Yes. Upgrades take effect immediately and are prorated. Downgrades take effect at the start of your next billing cycle.

14. How many users can I add?

There is no hard limit. Each additional user is billed at your plan's per-user rate. You can manage users from the Admin panel.

15. Is my data secure?

Yes. We use AES-256 encryption at rest and TLS 1.3 in transit. Our servers are hosted in SOC 2 Type II certified data centers in the United States and Europe.

16. Where is my data stored?

Data is stored in AWS data centers. US customers are hosted in us-east-1 (Virginia). EU customers are hosted in eu-central-1 (Frankfurt).

17. Can I export my data?

Yes. You can export all data in CSV or JSON format from the Settings page at any time. Exports are available for 7 days after generation.

18. Do you offer onboarding and training?

Yes. All paid plans include a free 60-minute onboarding session. Additional training sessions are $150 each.

19. What integrations do you support?

Slack, Microsoft Teams, Gmail, Outlook, Shopify, WooCommerce, Zapier, HubSpot, and Salesforce. Custom integrations are available on Enterprise plans.

20. Do you have a mobile app?

Yes. Our mobile app is available for iOS and Android. It supports CRM features, push notifications, and chatbot management.

21. How do I reset my password?

Click "Forgot Password" on the login page. You will receive a reset link by email within 2 minutes. If you don't see it, check your spam folder.

22. What happens if I exceed my chatbot conversation limit?

You will be notified at 80% usage. Additional conversations on the Starter plan are billed at $0.02 per conversation. Professional and Enterprise plans have unlimited conversations.

23. Do you offer a service level agreement (SLA)?

Yes. Enterprise plans include a 99.9% uptime SLA with credits if we fail to meet it. Professional plans include a 99.5% uptime target (no credits).

24. What payment methods do you accept?

We accept all major credit cards (Visa, Mastercard, American Express), PayPal, and bank transfer for annual Enterprise contracts.

25. Can I use TechFlow for multiple companies?

Yes. You can create multiple workspaces under one account. Each workspace is billed separately. Contact support to enable multi-workspace billing.

26. Do you offer API access?

Yes. All plans include REST API access. Rate limits: Starter 100 requests/minute, Professional 1,000 requests/minute, Enterprise custom.

27. Is there a setup fee?

No. There are no setup fees on any plan. You only pay the subscription price.

28. How do I delete my account?

Go to Settings → Account → Delete Account. This permanently removes all data within 30 days. You cannot recover a deleted account.

29. Do you offer custom development?

Yes, on Enterprise plans. Our team can build custom integrations, workflows, and branded chatbots. Pricing is quoted per project.

30. Who do I contact for billing questions?

Email billing@techflow.com. Include your account email and invoice number. We respond within 1 business day.
